A sketch of the plot is enclosed. It is a portion of S.No.99/1A1 of Boliyar village registered as poramboke channel. It has been applied for on darkhast by the Attorn to the Mission Trust of Southern India. Enquiry shows that the plot though included in poramboke channel at settltment is actually a portion of the adjoining wet field S.No.97/1 belonging to the Basel Mission and that it also contains - cocoanut trees aged about 35 years. As recommended by the

Tahsildar and the Divisional Officer. I have sanctioned the transfer of the plot from poramboke channel to ayan with a view to its assignment under the darkhast rules. I recommend that necessary sanction of Government may be obtained for the assignment of the plot to the Mission Trust of Southern India.

2. The Mission Trust of Southern India possesses 1453 acres of land in the district including 211.55 acres in Boliyar village.
